To whom it may concern,

Our company specialises in placing well qualified tenants in residential properties all around Johannesburg.

Our company consists of;

A residential letting division

A residential management division and a;

A general maintenance division.

We are confident we can meet all your needs with our services offered.

With regards to properties located in Kempton Park, the estimated rental values of the area are based on the location of area.

The well located area offers comfortable and quite living and is located close to the O.R Tambo airport , highway access and malls

With this being said residential property in the said area will be able to attract a rental of approximately :

2 Bedroom 1 Bathroom apartment: R6000.00-6500.00

Please feel free to contact me if you have any further questions or need any assistance in placing tenants in your brand new investment property!

Kind regards Toni
